Dear Mr. Smallwood:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000922) dated July 16, 2015, in which you requested

"Contract close out deficiencies reports and/or Inspection and/or corrected letter from COR/CO under CFM Service contract GS05P05GAC0002 in relation to the following locations: Fergus Falls Courthouse /Bemidji Federal Building/ Baudette Border Station / International Falls Border Station. These reports highlight items CFM contractors required to complete prior to contract close out. Furthermore, we would like to inquire on the name of the assigned COR and CO under this service contract (GS05P05GAC0002). Additionally, we seek similar reports for the Grand Portage Border Station but do not have contract information to help GSA locate the requested documents (between 2005 and 2010). If the requested inspection/deficiencies reports are not available under the above mentioned contract, we respectfully request similar inspection deficiencies reports of the prior contract prior to 2005."

After a thorough search and review, GSA was unable to locate any documents that satisfy the parameters of your request.

This does not constitute a denial, but you have the right to appeal the adequacy of GSA's search. To do so, you must write within 120 days of your receipt of this letter to:

U.S. General Services Administration  
FOIA Requester Service Center  
1800 F Street, NW Room 7308  
Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reason(s) why the withheld information should be released. Please enclose copies of your initial request and a copy of this letter. Both the appeal letter and the envelope should be marked prominently "Freedom of Information Act Appeal."

This completes our action on this request. Should you have any questions concerning this matter, please contact Mike Mitchell, Great Lakes Regional FOIA Officer, at [mike.mitchell@gsa.gov](mailto:mike.mitchell@gsa.gov).
